Golden Owl

**Product Description:**

Dried mango

---

## Company Announcement

TRUONG GIANG DISTRIBUTOR CORP of Philadelphia, PA is recalling Golden Owl Dried Mango, because it may contain undeclared sulfites. People who have an allergy or severe sensitivity to sulfites run the risk of serious or life-threatening allergic reaction if they consume these products.

Product was distributed nationwide in retail stores.

This product is packaged in 7 oz (100g) clear plastic containers with UPC 816710-024461 located on the left side of the container.

No illnesses have been reported to date.

The recall was initiated after routine sampling by the New York State Department of Agriculture and Markets found sulfites in the product which was distributed in packaging that did not reveal the presence of sulfites. Subsequent investigation indicates the problem was caused by a temporary breakdown in the supplier's labeling processes.

Consumers who have purchased the product are urged to return them to the place of purchase for a full refund. Consumers with questions may contact the company at 215-456-1883 Monday to Friday 8AM to 5PM EST.

#### About Feeding America Recall Notices

The Feeding America national office issues notifications of all national Class I and II recalls--those involving a health hazard situation in which there is reasonable probability that eating the food will cause health problems or death--and other recalls that may affect the safety of food supplied to network members.

The national office strongly encourages all member product solicitors, operations managers, and others involved in food and grocery distribution to regularly consult resources provided by the United States Food and Drug Administration (FDA) at <http://www.fda.gov/opacom/7alerts.html>, and the United States Department of Agriculture (USDA) at [http://www.fsis.usda.gov/Fsis\\_Recalls/index.asp](http://www.fsis.usda.gov/Fsis_Recalls/index.asp). Additionally, members can often receive information on national, state, and local recalls by contacting their local health departments.
