**New York, New York** (April 12, 2024) **Feel Good Foods** is voluntarily recalling its Gluten-Free Plain and Everything flavored Cream Cheese Stuffed Mini Bagels. The products may contain undeclared gluten that may be present due to cross-contamination. People who have an allergy or severe sensitivity to gluten run the risk of serious allergic reaction if they consume these products.

The Gluten-Free Cream Cheese Stuffed Mini Bagels are distributed nationwide through national retailers. The recalled product can be found in the frozen section.

The recalled Cream Cheese Stuffed Plain Mini Bagels with UPC 89903900283 and Cream Cheese Stuffed Everything Mini Bagels with UPC 89903900286 are packaged in cardboard cartons labeled with 'Feel Good Foods' on the front panel and the bagel flavor listed below. The recall includes all Best By dates, ranging from 5/29/24 to 9/17/25 which is on the bottom of carton. Please see photos of carton labeling as product may contain two styles of labeling due to package re-design.

These products should be disposed of by those who have an allergy to or sensitivity to wheat or gluten. No other Feel Good Foods products are affected.

The recall was initiated after the company received one (1) consumer report of an adverse reaction to gluten. As a result of this incident, Feel Good Foods is immediately recalling the product and is implementing measures to prevent reoccurrence.

Impacted consumers should stop consuming the product and may visit their retailer for a full refund or dispose of the products.
