Company Announcement

Rong Shing Trading NY Inc., 47-57 Bridgewater Street, Brooklyn, NY is recalling its 5.8oz (165g) packages of "**Lian Sheng Dried Plum**" because they contain undeclared sulfites. Consumers who have severe sensitivity to sulfites run the risk of serious or life-threatening allergic reactions if they consume this product.

The recalled "**Lian Sheng Dried Plum**" were distributed nationwide in retail stores. The product is packaged in a 5.8oz (165g), clear plastic bottle marked with an expiration date of 11/13/2023 stamped on the side. The product UPC code is 6928580581396.

No illnesses or allergic reactions involving this product have been reported to date.

The recall was initiated after routine sampling by Florida Department of Agriculture and Consumer Services and subsequent analysis by Food Laboratory personnel revealed the presence of sulfites in the 5.8oz (165g) packages of Dried Plum which were not declared on the label. The consumption of 10 milligrams of sulfites per serving could occur in certain sulfite sensitive individuals upon ingesting 10 milligrams or more of sulfites. Analysis of the Dried Tangerine Plum revealed they contained 21.91 milligrams per serving.

Consumers who have purchased 5.6oz (165g) packages of "**Lian Sheng Dried Plum**" are urged to return them to the place of purchase for a full refund. Consumers with questions may contact the company at 718-308-1177.

About Feeding America Recall Notices

The Feeding America national office issues notifications of all national Class I and II recalls--those involving a health hazard situation in which there is reasonable probability that eating the food will cause health problems or death--and other recalls that may affect the safety of food supplied to network members.

The national office strongly encourages all member product solicitors, operations managers, and others involved in food and grocery distribution to regularly consult resources provided by the United States Food and Drug Administration (FDA) at <http://www.fda.gov/opacom/7alerts.html>, and the United States Department of Agriculture (USDA) at http://www.fsis.usda.gov/Fsis_Recalls/index.asp. Additionally, members can often receive information on national, state, and local recalls by contacting their local health departments.
