August 21, 2024

Product Type:

Food & Beverages
Allergens

Reason for Announcement:

Undeclared milk

Company Name:

Unilever US

Brand Name:

Popsicle

Product Description:

Jolly Rancher Green Apple, Blue Raspberry, Grape Frozen Confection Pop

Company Announcement

Only Popsicle Jolly Rancher products marked for individual sale are impacted

FOR IMMEDIATE RELEASE – Englewood Cliffs, New Jersey – August 21, 2024 - Unilever in the United States is recalling approximately 137,000 cases of Popsicle Jolly Rancher Frozen Confection Pop products (single serve offerings) because the products may contain milk, which is not listed as an ingredient on the label. Persons who have an allergy or severe sensitivity to milk run the risk of a serious or life-threatening allergic reaction if they consume this product.

The only impacted products are Popsicle Jolly Rancher Frozen Confection Pop single-serve products which are marked for individual sale. These products are typically sold through channels such as ice cream trucks, concession stands, and grab-and-go freezers throughout the United States. This recall does not apply to the 18-count Popsicle Jolly Rancher multi-pack products that are sold in grocery stores and retailers nationwide.

The following products are subject to recall:

Product	Lot Codes	Size	GTN/UCC	Consumer Unit UPC
Popsicle Jolly Rancher Green Apple Blue Raspberry Grape Frozen Confection Pop	MAY1725KY4	2.71 fl oz	10077567003727	077567003720
	MAY1825KY4			
	MAY1925KY4			
	JAN3026KY4			
	JAN3126KY4			
	FEB0126KY4			
	MAR1226KY4			
	MAR1326KY4			
	MAR1426KY4			
	MAR1526KY4			
	MAR1626KY4			

The products were distributed nationally to wholesale distributors and operators between February 1, 2024, and August 15, 2024. The applicable UPC and lot codes can be found on the outside wrapper of the product.

This recall has been initiated as a result of findings which indicate there may be a presence of milk allergens in the product which is not disclosed on the packaging. There have been two reported allergic reactions in connection with the use of this product.

No other Unilever or Popsicle products are affected by this recall. Anyone concerned about an allergic reaction should contact a healthcare provider.

Consumers who have purchased the recalled product should not consume it and should visit www.PopsicleRecall.com[External Link](#) [Disclaimer](#). Consumer services representatives are available Monday through Friday, 8:30 a.m. to 9 p.m. Eastern time, at (888) 926-3554. Reimbursement will be provided with proof of purchase.

-
- * We believe that none of the product being recalled were processed or offered through the national office
 - * We strongly encourage you to notify your agencies within one business day from receipt of this notice.
 - * ALL cased and uncased inventories, both at the member level and agency level, need to be checked. This product may have entered member and agency warehouses through salvage, local donations, TEFAP, local purchases, retail pickups, food drives, or other avenues.
 - * For additional local details, please contact the Health Department(s) for the area(s) your food bank serves.

About Feeding America Recall Notices

The Feeding America national office issues notifications of all national Class I and II recalls--those involving a health hazard situation in which there is reasonable probability that eating the food will cause health problems or death--and other recalls that may affect the safety of food supplied to network members.

The national office strongly encourages all member product solicitors, operations managers, and others involved in food and grocery distribution to regularly consult resources provided by the United States Food and Drug Administration (FDA) at <http://www.fda.gov/opacom/7alerts.html>, and the United States Department of Agriculture (USDA) at http://www.fsis.usda.gov/Fsis_Recalls/index.asp. Additionally, members can often receive information on national, state, and local recalls by contacting their local health departments.
