Company Announcement

Turkana Food Inc. Kenilworth, NJ is recalling 352 cases of Floria Dried Apricots because the product contains UNDECLARED SULFITES on the package label.

The recalled Floria Dried Apricots was distributed in the states of FL, KY, VA, NY, NJ, TN, MA, TX, IL, IN, MI, RI, PA, NC, MD, VA, OH, AL, MO, CA.

The recalled 200 Gram paper packaging Labeled Floria Dried Apricots.

The product packaging LOT# 440090478-15-333 can be found on the bottom portion of the package. UPC Label 2539560010 marked by a sticker on the top side of package. Expiration Date 11/2026, which can be found on the bottom portion of the package.

No reported illnesses have been confirmed as of 06/12/2025.

The recall was the result of a routine sampling performed by the New York State

Department of Agriculture and markets which revealed that the finished products contained Sulfites that were not listed on the product labelling. The company has ceased production and distribution of the products as FDA and the company continue their investigation to correct the issue with the manufacturer.

Consumers who purchased Floria Dries Apricots with the lot code 440090478-15-333 should not consume the product and they are urged to return it to the place of purchase for a full refund.

About Feeding America Recall Notices

The Feeding America national office issues notifications of all national Class I and II recalls--those involving a health hazard situation in which there is reasonable probability that eating the food will cause health problems or death--and other recalls that may affect the safety of food supplied to network members.

The national office strongly encourages all member product solicitors, operations managers, and others involved in food and grocery distribution to regularly consult resources provided by the United States Food and Drug Administration (FDA) at

<http://www.fda.gov/opacom/7alerts.html>, and the United States Department of Agriculture (USDA) at http://www.fsis.usda.gov/Fsis_Recalls/index.asp. Additionally, members can often receive information on national, state, and local recalls by contacting their local health departments.
