## Company Announcement

(March 3, 2025) U.S. Trading Company of Hayward, CA is recalling Joy Luck Brand Lily Flowers because it may contain undeclared SULFITES. People who have an allergy or severe sensitivity to sulfites run the risk of serious allergic reaction if they consume these products.

The lily flowers were distributed to retailers Nationwide.

The lily flowers are individually packed in plastic packaging. Below is the product being recalled:

Brand	Product Name	Size	UPC
Joy Luck	Dried Lily Flowers	2.5oz	721557511008

The recall was initiated after Florida Dept of Agriculture and Consumer Services collected a sample of the lily flowers. It was discovered that lily flowers containing sulfites were distributed in packaging that did not reveal the presence of sulfites

No illnesses have been reported to date.

This recall is being made with the knowledge of the U.S. Food and Drug Administration.

Customers with a sulfite allergy or sensitivity who have purchased the affected product are urged not to consume the product and dispose of it or return it to their place of purchase for a full refund.

Consumers with questions may contact U.S. Trading Company at 510-781-1818 Monday thru Friday between 8:00am - 4:30pm PST.

#### **About Feeding America Recall Notices**

The Feeding America national office issues notifications of all national Class I and II recalls--those involving a health hazard situation in which there is reasonable probability that eating the food will cause health problems or death--and other recalls that may affect the safety of food supplied to network members.

The national office strongly encourages all member product solicitors, operations managers, and others involved in food and grocery distribution to regularly consult resources provided by the United States Food and Drug Administration (FDA) at <http://www.fda.gov/opacom/7alerts.html>, and the United States Department of Agriculture (USDA) at [http://www.fsis.usda.gov/Fsis\\_Recalls/index.asp](http://www.fsis.usda.gov/Fsis_Recalls/index.asp). Additionally, members can often receive information on national, state, and local recalls by contacting their local health departments.
