

2011 annual report 12

who we are & what we do

Three Square is Southern Nevada's only food bank providing food assistance to the residents of Lincoln, Nye, Esmeralda and Clark counties.

The food bank is an efficient hub for the collection and distribution of food. We provide food equitably to nearly 600 Program Partners including non-profit and faith-based organizations such as food pantries, soup kitchens, schools and after-school and summer food service sites throughout Southern Nevada. In addition, Three Square facilitates and administers childhood and senior nutrition programs and engages in advocacy, research and community outreach. We are a place for members of the community to meet, serve and collaborate as part of the food solution.

Three Square currently provides more than 24.5 million pounds of food and grocery product – the equivalent of 18.8 million meals – per year. We are a member of the Feeding America network of food banks.

our mission

To provide wholesome food to hungry people, while passionately pursuing a hunger-free community.

2011 annual report 12

our vision

No one in our community should be hungry.

By bringing together the resources, experience and passion of the people and businesses of Southern Nevada, we can make sure no one has to. When we work together, we don't just serve food. We serve hope.

our core values

COMPASSION

With respect for our diverse community and a willingness to put ourselves in the shoes of others, we act from the heart.

COLLABORATION

We believe in the power of working together, and we are thankful for those who help us help others.

INNOVATION

The status quo is yesterday's news; we believe new ideas will drive efficient solutions to this oldest of problems.

STEWARDSHIP

By planning ahead and holding ourselves accountable, we ensure the responsible and sustainable use of resources in the long-term.

TRANSPARENCY

We operate in the public eye, with integrity and respect for those who fund us, rely on us and give us their time and trust.

URGENCY

It is not enough to plan; we must act with all speed to help those who are hungry.
