OUR MISSION

The mission of Three Square Food Bank is to provide wholesome food to hungry people, while passionately pursuing a hunger-free community. Our vision is simple: no one in our community should be hungry. By bringing together the resources, experience, and passion of the people and businesses of Southern Nevada, we can make sure no one has to. Together, we can feed everyone.

Three Square Food Bank is registered with the Secretary of State and qualified by the Internal Revenue Service as a 501 (c)(3) nonprofit organization, and a member of Feeding America. Established in 2007, Three Square is Southern Nevada's only food bank and the area's largest hunger-relief organization. Your charitable contribution to Three Square is tax-deductible to the extent allowed by law.

Food for thought

We are facing one of the most challenging times in Three Square's history, and I'm asking for your help so we can meet this need together.

Right now, our shelves are understocked while more of our neighbors are turning to us for help. Federal assistance has been reduced, grocery prices continue to soar (with Nevada ranking among the highest in the nation), and the need keeps growing.

Here's the bottom line: **one in six Nevadans is experiencing hunger today.**

Your generosity can help fill our shelves and bridge the gap between what we have and what our neighbors need. With our food supply at its lowest in years, your gift will immediately help restock the most-needed items. Additionally, with Three Square's bulk purchasing power, every dollar stretches farther to nourish more people.

We know that food insecurity touches every part of a person's life: their health, their children's ability to learn, their well-being. That's why we're steadfast in our mission to provide relief for families, children, and seniors across Southern Nevada, bringing not only food but hope to every table.

With your support, we can help our neighbors move forward with dignity, stability, and the assurance that their community cares.

While we can't eliminate these challenges, together, we can continue to make a positive impact on the lives of those we serve.

Thank you for being part of our mission to create a hunger-free community.

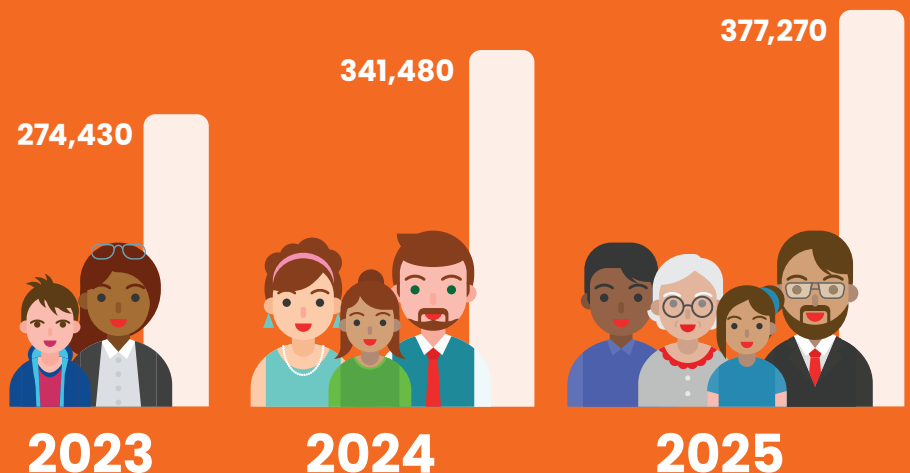

Gratefully,

Beth Martino

As needs increase, so does our commitment

The number of food-insecure people in Southern Nevada has risen an astonishing forty percent in just two years, as shown in the illustration. Thanks to friends like you, Three Square Food Bank has responded accordingly, meeting the need as it grows.

You're helping neighbors in our community

DeWayne McCoy knows firsthand what it feels like to go without. As a child, his family occasionally relied on food assistance, and those experiences left a lasting imprint on his heart.

That's why, as an adult, DeWayne made it his mission to help others facing similar challenges.

He served at Three Square for several years, both as a warehouse manager and later as a community engagement manager, ensuring that our partner agencies had what they needed to serve those counting on them. That experience led him to a bold and compassionate idea: to start something of his own.

In 2021, DeWayne founded *The After Market*, one of Three Square's incredible non-profit community partners. As the only grocery store within a 6-mile radius, it has become an accessible source of fresh food in that area. *The After Market* also operates as a food pantry, where neighbors can shop with dignity, regardless of one's ability to pay. While paying customers help sustain the store, those facing hardship can shop free of stigma or shame.

"I wanted to create a place that took away the shame from being serviced," DeWayne explains. "When families come in, they're entering a grocery

store that just happens to give things away for free. So the assistance feels like a bonus instead of a burden."

With your generosity, Three Square is able to stock the shelves at *The After Market*.

"Three Square is our biggest food donor," says DeWayne. "We get a delivery once a week, and that consistent support allows us to keep showing up for this community, a community that truly needs it."

Thanks to your kindness, DeWayne and other incredible partners across the valley are nourishing lives, restoring dignity, and building stronger, healthier communities one neighbor at a time.
