## OUR MISSION

The mission of Three Square Food Bank is to provide wholesome food to hungry people, while passionately pursuing a hunger-free community. Our vision is simple: no one in our community should be hungry. By bringing together the resources, experience, and passion of the people and businesses of Southern Nevada, we can make sure no one has to. Together, we can feed everyone.

Three Square Food Bank is registered with the Secretary of State and qualified by the Internal Revenue Service as a 501 (c)(3) nonprofit organization, and a member of Feeding America. Established in 2007, Three Square is Southern Nevada's only food bank and the area's largest hunger-relief organization. Your charitable contribution to Three Square is tax-deductible to the extent allowed by law.

## Food for thought

As we begin a new year, I have been reflecting on 2025 and the many challenges it brought to our community and the people we serve.

Through it all, you stood with our neighbors. When federally funded food supplies dropped in the spring, you helped keep food on tables. When our shelves reached record lows in the summer, you helped restock them. When the federal shutdown created crisis and uncertainty in the fall, partners, businesses and supporters stepped forward to meet an unprecedented need. And when the holidays arrived, you ensured people found nourishment, dignity, and hope. All year long, the community came together to feed our neighbors.

This is compassion in action. Together, we have adapted, learned, and responded when it mattered most. None of this would have been possible without you.

Because of your generosity, uncertainty gave way to stability. Obstacles became opportunities to serve. Whether you donated, volunteered, provided food, or lifted others up in meaningful ways, you made a real difference for our neighbors, and for that, we are sincerely grateful.

As I look to the year ahead, Three Square remains committed to expanding our food rescue work, sourcing affordable produce, connecting families to vital benefits, and being responsible and resourceful with every dollar. Because feeding a community takes a community, and this one continues to rise to the challenge.

## Thanks to you, this family has hope

Four generations live under Nancy's roof: she and her husband, their four children, two grandchildren, and Nancy's parents. Ten people relying on one household every single day.

Her husband's handyman jobs provide steady income in good months, but the work shifts quickly with the seasons and unexpected weather. The family stretches every dollar as they work to keep up with rent, utilities, gas, and groceries.

"Everything is really hard right now," Nancy says, and she is not alone.

Because of your generosity, Nancy's family receives balanced and nourishing food from Three Square, including fresh produce, whole grains, meat, dairy, and more. These resources help fill the gaps when income dips and expenses rise.

Nancy is deeply grateful for people like you who make this support possible. "I thank God for you," she says. "Thank you for helping people in need. We really need it these days."

**Your kindness helps Nancy's family and countless others persevere through challenges. Thank you for lending compassion when it matters most.**

# Because of you, they have a place to learn, play, and eat

Gabby has worked with more than 1,000 children over her 11 years at the Boys & Girls Club of Northern Highlands. She has watched many of them grow from kindergartners into high schoolers, meeting countless parents along the way.

"For many of these kids, the meal here might be the only one they get all day," Gabby says. The Club offers before and after school care for families who need a safe, reliable place for their children. It also provides full-day programming during the summer and holidays.

Days at the Club are filled with educational workshops, sports, computer labs, art activities, and more. Yet the meals and snacks, including take-home packs for the weekend, are

often the most essential support these kids receive, and those meals are possible because of your generosity to Three Square.

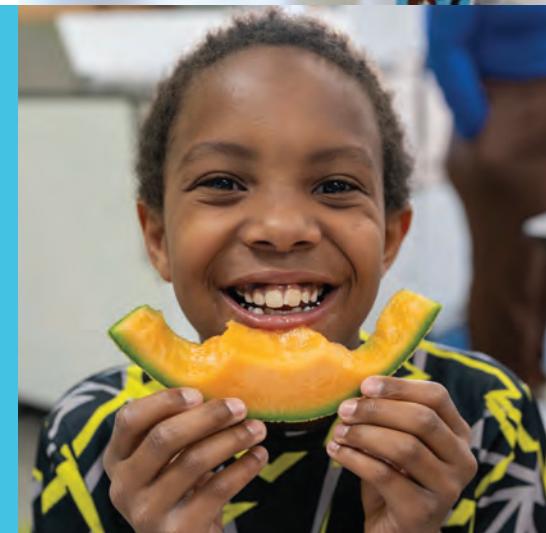

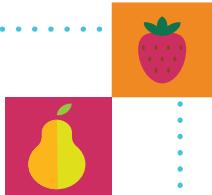

"Three Square's support is invaluable," Gabby says. "Without them, we would not know how to feed so many of these kids. A lot of them have no idea where their next meal is coming from. With Three Square, it is guaranteed."

She adds, "Parents are so thankful for a program they can trust. One where they never have to worry about their child going hungry."

**Thank you for helping ensure kids in our community have the meals they need to thrive.**

**"Without Three Square, we don't know how we'd feed a lot of these kids."**

## He loves healthy fruit

Quenton, 9, loves snack time at the Boys & Girls Club, especially when there are melons. "My favorite has to be honeydew," he says. "But also mangos and oranges."

When he's not snacking, Quenton can usually be found in the computer lab, out on the soccer field, playing dodgeball, or spending

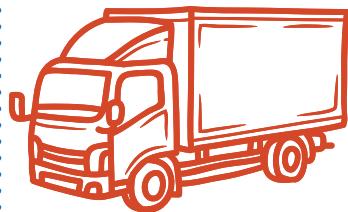

time in the video game room. At school, he's learning about the importance of good nutrition.

"I like school," he says. "It's fun!"

Thanks to your generosity, Quenton has the nourishing food he needs to stay active, curious, and striving toward his highest potential.

# *It takes a community to feed our community.*

The federal government shutdown created hard times for many families throughout Southern Nevada. Because of you, Three Square was able to act quickly. In November alone, we expanded emergency food distributions and worked with our partners around the clock to ensure our neighbors have food on their tables.
